

GENDER DISTRIBUTION

■ MALE ■ FEMALE

4 182 (74.3%) 1 448 (25.7%)

Total - 5 630

In line with our gender friendly policy, we strive to create a balance (a fair distribution) of gender in our employment. This includes contractors' staff providing service(s) to us. This gender distribution is reviewed periodically.

These figures were as at December 31st 2022
